## WHAT KIND OF DOCTOR WORKS IN CORRECTIONS?

*The Kind Who Hasn't Missed Any of His Children's Soccer Games.*

You expected that medical school and your residency would require grueling hours. What you didn't expect, was that a few years into your medical career, you'd still be working 60-hour weeks.

With a 40-hour workweek and a patient panel averaging 10-12 patients per day, doctors with California Correctional Health Care Services experience an enviable work-life balance. Imagine the ability to plan a family game night, catch up with friends, and make it to that soccer game.

**PHYSICIANS** **\$271,260 – \$284,820** (Time-Limited Board Certified)  
**\$257,676 – \$270,564** (Lifetime Board Certified)

California Correctional Health Care Services provides doctors, like you, competitive salaries and a substantial compensation package including:

- 40-hour workweek – affords you true work-life balance
- Robust 401(k) and 457 retirement plans – tax defer up to \$48k per year
- Secure State of California pension that vests in five years

Doctors at select locations receive an additional 15% pay – contact us today for more information! **Danny Richardson**, Recruiter: (916) 691-3155 or [Danny.Richardson@cdcr.ca.gov](mailto:Danny.Richardson@cdcr.ca.gov) or to apply online [www.cchcs.ca.gov](http://www.cchcs.ca.gov).

# HCA

PracticeWithUs.com

## Giving physicians what they need

**We prioritize your patient's health and comfort above all else.**

**We're not just here for you. We're here because of you.**

HCA was founded by physicians. Their purpose was to create an environment where healthcare can flourish. They believed the best patient care begins with giving physicians what they need.

Today, over 253,000 healthcare professionals, including over 37,000 active physicians, choose to treat their patients at an HCA facility. Our national network includes over 160 hospitals, 116 freestanding surgery centers, and over 60 urgent care facilities.

**Healthcare with integrity**

Our physicians benefit from our dedication to providing:

- More voice** to our physicians, asking for input on our operations and offering leadership opportunities.
- More growth** through learning, administrative support, and extended reach to more patients.
- More time** to give better care with access to smoothly operating facilities and a network of trusted peer expertise and clinical knowledge.
